

## Jabse Pehchani Huee (When I came to know)

**Jabse pehchani huee**

**Gyan kamaal tumharee**

**Tabse yeh man, masti mein khel**

**Amma daya aap ki**

*Ek sans bhi*

*Ek pal bhi*

*Teri nam, bina hum*

*Kaise seh sakoon?*

**Jabse pehchani huee**

**Pyar sugandh tumharee**

**Tabse yeh dil, nachta rahaa**

**Amma daya aap ki**

**Jabse pehchani hueee**

**Geet nasha tumharee**

**Tabse yeh pair, chua gagan**

**Amma daya aap ki**

**Jabse pehchani hueee**

**Bachen pyare tumharee**

**Tabse yeh tan, seva me sukh**

**Amma daya aap ki**

**When I came to know**

**Your amazing thoughts**

**Since then my mind, lives in a trance**

**Amma because of you**

*Every single breadth*

*Every single tick*

*Without your name, how can I*

*Bear to live my life?*

**When I came to know**

**Your fragrant love**

**Since then my heart, jumps in dance**

**Amma because of you**

**When I came to know**

**Your joyous songs**

**Since then my feet, touch the skies**

**Amma because of you**

**When I came to know**

**Your lovely kids**

**Since then I am, happy to serve**

**Amma because of you**
